What is WIOA?

The Workforce Innovation & Opportunity Act (WIOA) is a federal law designed to provide services to individuals so they can obtain a career in a high skills, high wage occupation.

The goal of CSS and WIOA is to improve the quality of the workforce, reduce welfare dependency, increase economic self-sufficiency, meet skills requirements of employers, and enhance the productivity and competitiveness of this area and the nation.

CSS Assistance

WIOA establishes two levels of employment and training services for adults and dislocated workers. These levels of service are:

1. Career Coaching
2. Training

Career Coaching

Career coaching services consists of three different types.

1. Basic Career Coaching
2. Individualized Career Coaching
3. Follow-Up

Career Coaching

1. Basic Career Coaching Services:

- Selection determination to receive basic WIOA career coaching through CSS
- Introduction to information and other services available through CSS
- Initial assessment of an individual's skills
- Job search and placement assistance

Career Coaching

2. Individualized Career Coaching:

- Assessment of skill levels and service-needs of interested adults and dislocated workers
- Development of an individualized employment plan identifying employment goals and achievement objectives for those selected individuals
- Employment related coaching and career planning assistance
- Short-term pre-vocational opportunities, internships, and work experience activities that are linked to careers

Career Coaching

3. Follow-Up Services:

- Selected training recipients receive access to CSS career coaching services for at least a 12-month period once they become employed. This service can include counseling regarding any workplace challenges that present themselves and reconnecting them to CSS services if needed.

Training

MySuncoast Training Services consists of two different types:

1. Work Based Training
 - On-the-Job Training aka MySuncoast OJT
 - Job/work readiness training
 - Registered Apprenticeship
 - Skills upgrading and retraining
2. Occupational Skills / Classroom Training
 - Scholarship Assistance aka MySuncoast Scholarship

The MySuncoast On-the-Job Training (OJT) service is the focus of the remainder of this orientation.

On-the-Job Training

On-the-Job Training (OJT) provides selected individuals training essential to the performance of a specific job with a specific employer. OJT is an “earn and learn” employment model where new employees upgrade, retool and increase their skills. It provides reimbursements to the employers for the initial costs associated with training. Two unique features of OJT are:

1. The participant begins training as a new employee
2. The participant receives training at the workplace, under appropriate supervision, acquiring occupational skills and knowledge in an “on-the-job” training environment while they are paid

On-the-Job Training

On-the-Job Training Services:

- Requires the eligible jobs be full-time and listed on the Local Targeted Occupations List in order to be considered for and covered by MySuncoast On-the-Job Training.
- Are limited in duration, as appropriate to the job the participant is being trained for. Consideration is given in relation to the content of the training and the participant's prior work experience.
- Reimburses the employers for 50% of the participants wages for hours worked up to 40 hours per week. All reimbursement of wages goes directly to participating employers.

General Selection Criteria

An Individual must be:

- 18 years of age or older
- Meet U.S. citizenship requirements/authorization to work or hold a permanent resident card in the U.S.
- Meet selective service registration requirements (for men born after December 31st, 1959)

Targeted Selection Criteria

Individuals who meet the general selection criteria, must also meet one of the targeted selection criteria under either:

Adult

or

Dislocated Worker

Adult Selection Criteria

In order to be selected under the **Adult** criteria, an individual must meet only one of the four listed in this section.

Please Note: Under the **Adult** criteria, scholarship selection priority is given to interested low-income veterans and their spouses along with recipients of public assistance, other low-income individuals and individuals who are basic skills deficient.

Once all interested individuals with the above referenced characteristics have been screened/and or selected, CSS will then entertain individuals who fall below regional self-sufficiency income levels.

Adult Selection Criteria

This chart represents the MySuncoast On-the-Job Training income guidelines for **Adult** selection.

Priority is always given to those individuals whose total gross family income does not exceed the “Service Priority” column. This is done by using the past six months of income multiplied by two.

Only when possible will CSS consider individuals whose total gross family income is less than the “Below Self-Sufficiency” column. This is done by using the past six months of income multiplied by two.

Family Size	Adult Service Priority (Family income not to exceed)	Adult Service Below Self-Sufficiency (Family income below)
1	\$14,580	\$54,204
2	\$19,720	\$74,556
